

# VALLEY ENTERTAINMENT PRECINCT

The Draft Fortitude Valley Neighbourhood Plan including the Valley Entertainment Precinct Map above was approved by Brisbane City Council on 31 March 2009. Currently there are over 150 licensed hotels, bars, cafes, restaurants, nightclubs and entertainment venues as well as the live music and cultural hub of Brisbane. The area was declared on 1 July 2006 and continues to be the only legislated 'special entertainment precinct' in Australia.
